

**MAHARASHTRA ACADEMY OF NAVAL EDUCATION AND TRAINING  
(MANET)**

Notice no. 134 /2019

03<sup>rd</sup> December, 2019

**NOTICE**

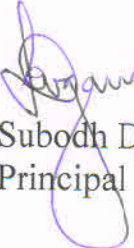

**It is to inform all the cadets of our institute that possession / consumption of alcohol / drugs and other abused substances, is illegal in maritime industry as per rules laid down by International Maritime Organization (IMO) / D.G.Shipping (DGS).**

A cadet under the influence of drugs / alcohol will not only jeopardize his own career in merchant navy but also damage the reputation of our institute. Therefore, strict action will be taken against the cadets who possess / consume alcohol / drugs in the premises of the institute.

Merchant Navy being a profession of great physical and psychological demand can be unsuitable for cadets who are addicted to drugs. It is therefore necessary that all cadets take this regulation with utmost seriousness.

**This is to inform all the cadets that random drug / alcohol testing will be carried out at frequent intervals by the hostel staff / wardens, to ensure that there is no breach in the policy. Samples of urine or blood will be taken and tested in authorized labs.**

Cadets who test positive or are guilty of possession / consumption of Drugs / Alcohol will be suspended/rusticated as per D.G.Shipping guidelines and our policy of "No Alcohol / Drugs" on premises of our institute.
